

HOJKURIC ABDURAHMAN

SOFTWARE DEVELOPER

hojkuricabdurahman@gmail.com

About Me

A highly skilled software developer with over 3 years of experience in front-end development. Proficient in using modern technologies such as Angular and React to build responsive and user-friendly web applications. Proven track record of delivering high-quality projects on time and within budget. Strong problem-solving skills and ability to work effectively in a team environment. Seeking to leverage my skills and experience to contribute to the success of a dynamic organization. I also have keen interest in Cybersecurity.
